

Webmaster Radio - Live SEO Talk?

Category : Pick of the Week

Published by [Stevewii](#) on 2006/4/3

Article presented by [Orange County SEO Expert](#) Steve Wiideman, and provided by Marina of OM Solutions. This new brand of website is just what us Webmasters and SEO Experts need to stay abreast of new ideas and technologies. I like the fact that I can plugin and listen and get work done at the same time. Read more below.

Webmaster Radio [WebMasterRadio.fm](#) is the premium resource for experienced and intermediate SEO practitioners, functioning as an on-line broadcasting station, almost like a podcast, but with live, real-time interactivity. Listen While You Work There are 13 regularly scheduled shows featuring interviews with industry leaders and commentaries from some of the real heavy-hitters from the world of SEO/SEM and affiliate marketing, addressing topics of interest and responding to listener's questions. In addition to the live shows, there are a news section and an archive of past shows. There is also in-depth coverage of significant trade shows and a number of special features that focus on niche segments, hosted by major figures in the related market segments. This site offers an unmatched, behind-the-scenes look at a world largely hidden from public view with insider's perspectives. SEO Rockstars – "Oilman" (aka Todd Friesen) and Greg Boser the "WebGuerilla" are the host's each week as they talk in detail about many of the most effective SEO tactics. Cover Story - focuses on public relations and is co-hosted by David McInnis (President and CEO of PR Web) and Brandy Shapiro-Babin. The show teaches the key principles of public relations with guest appearances by major players in the industry. Rainmaker - Brandy Shapiro-Babin and SEGuru co-host as they interview movers and shakers from a variety of industry segments, each bringing their own insights and knowledge to the table. Domain Masters – Monte Cahn covers all the bases with commentary and live chat about hosting, protecting and managing domains. Wizards of the Web – The Eisenberg brothers, Jeffrey and Bryan, are the hosts of this foray into the business of increasing conversion rates. The shrouds of mystery vanish each week as they explain, via live site-clinics, the best practices for beefing up bottom-line results. Article courtesy : [B2BRadio](#) - This is the premier free, business, 24/7 internet radio network focused on the e-commerce, SEO, and internet marketing marketplace.
